

Fix for Less PRODUCT TERMS & CONDITIONS

Effective from 26 June 2019

These terms and conditions apply to the energy plan you have selected ("the Plan"), as set out above, and in addition to (and do not replace) the Green Star Energy ("we", "us", "our") Residential Terms and Conditions of Supply* which you have received a copy of.

Features:

- 100% renewable electricity
- Carbon offsetting and tree planting projects
- Perks Rewards
- Price protection for the duration of the plan

Eligibility: This offer is open to new customers switching via a price comparison website. The Plan is not available in conjunction with any other offer.

Account communications: Account communications for the Plan are electronic, so you must provide us with a valid email address and set up an online account. We'll send you an email to let you know how to activate your online account. You may request paper copies of your account communications for a fee.

Meter type: The Plan is not available for prepayment meter customers.

*These Product Terms and Conditions take precedence over the Residential Terms and Conditions of Supply in the event of any inconsistency.

Part of the Just Energy family.
